

Technical information

Productnumber : 8551007

Product description

Hand truck for 2 gas bottles of 20 liters, 204 mm with comfortable push handle and chain protection. Load capacity up to 100 kg. Welded steel tube, powder coated blue RAL 5007. As a result, the surface of the cart is permanently protected, impact and scratch resistant. This gas cylinder hand truck simplifies the transport of 2 steel gas cylinders. The bottles are stable on the shovel, the metal chain prevents slipping and tipping. Easy and comfortable to move due to double handle. Wheels with pneumatic tyres: Good ground adhesion, low driving noise, reliable, comfortable and high driving comfort. Wheel hubs with roller bearings: low rolling resistance at high loads, strong and virtually maintenance-free.

Specifications

Article arrangement: New
