## Technical information

**Productnumber : 706H41P1460**

### Product description

Sturdy 4-sided roll container with a wooden roll base with flexible polyamide wheels and metal corner reinforcement. The roll container is fitted with a door at the front. Fast assembly and disassembly of the insert gates. 2 nylon lashing straps are supplied as standard with each roll container. Extra option to provide the roll container with a maximum of 4 (wooden, steel or plastic) floors. Very suitable for the distribution of products to and from shops and internal transport.
