Technical information

Productnumber : 10-PSUPPORT01

Product description

Affixing the Skipper recycle bins and safety dispensers to high gloss and glass surfaces is easily achieved via the Skipper suction pad bracket and suction pad.

Simply attach the Skipper suction pad to the desired surface, then slide on the suction pad support bracket. The Skipper recycle bins or safety dispensers then slide into the support bracket. The bracket is not required for lighter items such as the hand sanitiser bracket.

The bracket provides the required additional strength to support either a full recycle bin or safety dispenser, without damaging either the suction pad or the chosen surface.

Specifications

Article arrangement: New
Version: wall mount
Subgroup: Barriers
Length (mm): 62
Height (mm): 180
Type number: PSUPPORT01

Type: accessories
Material: plastic
Colour: black
Width (mm): 160
Weight (kg) 0.19
EAN Code (Gtin) 8719424180978
