Technical information

Productnumber : 10-POSTBASE-S

Product description

The Stanchion for Skipper safety barriers. The Skipper post and base system is the perfect complement to the Skipper unit. The Post's sleek design looks professional in any environment, both indoors and outdoors. The base can be filled with water or sand for improved stability, and the post is twist-locked into position. The Skipper unit or post & base cap attach to the top of the post with a secure, snap fit.
