Product description

Robust plastic storage bin 175x100x75 mm is ideal for storing your stock of small equipment and service parts. With ergonomic half-open front and practically stackable. The contents of the storage bin are thus easily accessible and stacked they do not take up unnecessary space. Very suitable for grab stocks (order picking) in workshop, garage, warehouse racks or service vehicles. The storage bin can also be fixed on rails or wall panel by a stable hanging edge at the back.

With the optional lids or inserts made of crystal-clear plastic, you prevent the contents from getting dusty and the contents remain protected. With lids, the storage trays are also very suitable for use as an internal shipping unit. See combinable items.
