Technical information

Productnumber : 98-7249GB

Product description

Used tipping bin steel with dimensions of 1105x1230x900 mm. The practical solution for storage of heavy goods. With the possibility of tipping by pull cord from the driver's seat of the forklift, see optional traverse. This container is equipped with four sturdy support legs for maximum stability. The walls are made of profiled steel sheet, the bottom of profiled steel sheet/ flat steel sheet.

Please note! This concerns three tipping containers (Red, blue & black), these are not picked out, see photos.

Specifications

Article arrangement: Used

Version: standard

Walls: corrugated steel plate

Subgroup: Tilting container used

Surface treatment: painted and use damage

Internal length (mm): 935

Internal width (mm): 950

Internal height (mm): 680

Weight (kg) 100

Type: automatic tilting container

Material: steel

Floor: steel

Colour: various

Length (mm): 1105

Width (mm): 1230

Height (mm): 900

Volume (ltr): 600

Type number: 7249GB
