Technical information

Productnumber : 81-8132

Product description

Transport box on wheels. This flight case made of reinforced plastic is lightweight and easy to move due to the handle and the two fixed wheels. The hinged lid can be closed with two quick-release fasteners.

- Thickness plastic 4 to 6 cm
- Strength plastic: it is made of virgin polyethylene plastic material, which is very impact-resistant and shock-resistant
- Weatherproof and UV resistant
- Splash-proof IP65

Caution! NOT suitable as a roof box on the car.
