Technical information

Productnumber : 91-119TA8572

Product description

Steel transport container for electric pallet truck. This transport container has a tailgate and a hinged front end. In this way, the pallet truck can easily be driven out of the container. The bottom is made of checker plate and the entire construction is painted red. The container is easy to move due to the insertion shoes at the bottom and the lifting eyes at the top. The load capacity is 1000 kg.

Specifications

Article arrangement: New

Version: for electric pallet truck

Colour: red

Length (mm): 1980

Width (mm): 1020

Height (mm): 960

Loading capacity (kg): 1000

Type number: 119-8572

EAN Code (Gtin) 8719424027693

Type: transport container

Material: steel

Surface treatment: painted

Internal length (mm): 1860

Internal width (mm): 940

Internal height (mm): 760

Weight (kg) 347

Additional specifications: hygienic, smoke neutral
