Product description

Matador professional Superhond, capacity 250 kg.

- ROUGH TERRAIN TURNABLE TRUCK

- The Superhond is a smart, neat flat fitting transporter. The Superhond goes easily through door openings.
- Long handle: 870 mm, equipped with 2 handgrips of natural rubber. Driving height handle: 830mm
- The Superhond turns on its own axis (minimum turning circle, maximum maneuverability).
- Platform made of 2-layer sandwich plastic (ABS / TPS) with profiled anti-slip mat. Extra strong and sturdy.
- 6 puncture proof tires, ideal for rough terrain. 2 middle wheels are placed lowered, so a very small turning circle.
- The Superhond has a low push and pull resistance.
- The Superhond effortlessly takes obstacles and curbs up to 8 cm.
- The Superhond has handles on the sides, making it easy to lift and put away on its side. These handles can also be used to attach tightening belts.
- The Superhond has fitted holes for placing luggage bars. (Luggage bars sold separately).

Specifications
