## Technical information

**Productnumber : 854871**

### Product description

File cart with three floors and three closed walls. The frame is treated with a powder coating, which makes the car robust and scratch-free. The walls and floors are made of light gray wooden board. The file trolley has four swivel castors, two of which have brakes. The load capacity per floor is 50 kg with a total load capacity of 150 kg.

### Specifications
