

Technical information

Productnumber : 852107

Product description

High order picking trolley with three floors and folding stairs. The staircase lifts itself without load and when loaded, the staircase with wooden steps stands firmly on the ground and thus blocks the warehouse trolley. The three wooden floors have a beech decor top layer and the top and middle floors have a load capacity of 80 kg. The frame is treated with a powder coating that makes it robust and scratch-resistant. The two braked swivel castors and two fixed castors make the trolley handy and manoeuvrable. The total load capacity is 250 kg.

Specifications

Article arrangement: New

Version: with stairs / foldable

Walls: 3 sides open

Wheels front: 2 fixed wheels solid rubber 160 mm

Wheels back: 2 castor wheels solid rubber with wheel locks 160 mm

Ral colour: 5007

Length (mm): 1320

Width (mm): 610

Height (mm): 1880

Weight (kg) 64

Shelf heights: 200/825/1445

Type: Fetra order picking trolley

Material: pipe material profile steel

Floor: closed

Subgroup: Order Picking trolley

Colour: blue

Surface treatment: powdercoating

Internal length (mm): 1000

Internal width (mm): 600

Loading capacity (kg): 250

Type number: 852107

EAN Code (Gtin) 8719424017908
