Technical information

Productnumber : 858482-1

Product description

Parcel trolley closed on three sides with wire mesh. The construction is treated with a powder coating that makes the frame robust and scratch resistant. The two braked swivel castors and two fixed castors make the warehouse trolley very handy and manoeuvrable. The parcel cart with a wooden bottom has a load capacity of up to 600 kg. Complies with EU standard EN 1757-3 (safety standard for platform trucks).
