## Technical information

**Productnumber : 51MLR2-5M**

### Product description

Magnetic label holder on a roll of 5 meters. Height 25mm. Easy to cut to size yourself. Very suitable for shelving, tire racking or long span racking! But also for other applications such as; cabinets, steel bins, workshop, garage and/or office. These holders attach magnetically and can therefore be moved easily. Applicable for barcodes, texts or other descriptions. Including blank white card and transparent protective sheet per 50 cm.

Please note! The blank white cards and transparent protective sheets are supplied in 10 pieces of 50 cm each (see last two photos).
