Product description

The chain lock is 1.5 m long and has links made of hardened steel with a diameter of 8 mm, making it extra resistant to cutting and sawing through. The green nylon cover offers additional protection against scratches. The combination lock with 4 pivots offers the convenience of a keyless lock. The limited lifetime warranty offers peace of mind coming from a brand you can trust.

- Chain made of hardened steel
- Nylon protective cover against scratches
- Integrated combination lock
- 4-digit resettable combination

Specifications

Article arrangement: New	Type: cable lock
Version: combination lock	Material: steel
Length (mm): 1500	Width (mm): 8
Type number: 8028EURD	EAN Code (Gtin) 8719424226577
