## Technical information

**Productnumber : 12-3043EURDAT**

### Product description

The Master Lock lot of 10 elastic straps with metal hooks for extra strength. The reverse hook design provides more room for attachment. The hooks are rounded to prevent scratches. A frame with built-in handle is included for ease of storage, organization and transport.

- Inverted hook design provides more space for attachment
- Two metal cable hooks provide greater strength than traditional bungee cords
- Rounded hook prevents scratching
- Color-coded size symbol for quick and easy to recognize the length
- Frame included for easy and convenient storage and organization
- Built-in handle for easy transport and hanging when not in use
- Set consisting of 2x 25cm, 2x45cm, 2x60cm, 2x80cm and 2x100cm straps

### Specifications

Article arrangement: New

Version: with 2 hooks

Colour: various

Width (mm): 8

Type number: 3043EURDAT

EAN Code (Gtin) 8719424173901

Type: clamping band

Material: steel/plastic

Length (mm): 60

Weight (kg) 0.9

Batch (items): 10
