Product description

The Wall Mount Push Button Lock Box features a 79mm wide metal body for durability. Stop hiding your keys under the doormat or under a flower pot : the lock box is the perfect solution to share keys. The wall mount design offers permanent installation. With its push buttons, the Select Access is very easy to use, with gloves, by the elderly or by children. Set your own combination for keyless convenience and increased security. The protective weather cover prevents freezing and jamming; and molded bumper and vinyl coated shackle prevent scratching. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
