Product description

The portable key safe with illuminating dials has a 72mm-thick metal housing for durability and accepts multiple house keys. No more hiding your keys under the doormat or under a flower pot: the key safe is the perfect solution for sharing access to your keys. This portable design can be used in a variety of places. The large, easy-to-read illuminated dials and resettable combination combine to provide secure storage for spare keys and access cards. The limited lifetime warranty offers peace of mind coming from a brand you can trust.

- Portable key safe provides secure storage for keys or access cards
- Large, easy-to-read, illuminating adjustable combination dials for improved visibility in low-light conditions
- Rotary knobs automatically illuminate each time the lid is lifted
- Key cabinet with bracket so the cabinet can be hung on something
- 72 mm wide durable metal construction
- Large open handle for more comfortable use
- Durable protective cover prevents freezing and jamming
- Vinyl-coated bracket and molded bumper prevent door scratches
- Easily replaceable CR2032 battery
- Interior dimensions: 8.8 x 5.7 x 3.2 cm
