

Technical information

Productnumber : 12-5426EURD

Product description

The Master Lock Group Key Lock Box is specifically designed for home management services, security companies and consumers seeking the ultimate solution for secure key and access card sharing. The sturdy zinc construction withstood the most rigorous attack tests: certified by CNPP (France), Sold Secure and Secured by Design (UK). It has an extra large storage compartment to accept most types of keys or access cards. With adjustable combination for keyless convenience and increased security.

- The extra-large key storage area offers space for various house keys or access cards
- Sturdy zinc construction for greater resistance to attacks
- Recessed door construction for greater resistance against prying open with a crowbar
- The convenience of a free choice of combinations for optimum security
- Rotary knobs spaced to simplify code composition
- Large shift lever for more comfortable use
- The reinforced door offers better weather resistance and more discretion
- Removable plastic cover that makes the Select Access more resistant to weather conditions
- Wall mountable for permanent installation (mounting kit contains; security screws, recoding tool, key holder and plastic tray)

Specifications

Article arrangement: New
Version: with code lock
Colour: grey
Internal width (mm): 66
Internal height (mm): 130
Internal depth (mm): 22
Type number: 5426EURD

Type: key locker
Material: steel
Width (mm): 103
Height (mm): 173
Depth (mm): 75
Weight (kg) 0.52
EAN Code (Gtin) 8719424174151
