

Technical information

Productnumber : 12-LFW123FTC

Product description

The Master Lock Oversized Digital Combination Security Safe is designed to protect documents, digital media and other valuables from fire, water and theft. The lock pins, which are 60% larger than traditional safes, and the break-resistant hinge bar provide additional security against unauthorized access.

- Homologated UL/ETL for protection time of 60 minutes against fire for documents, official papers and also digital items (CD, USB sticks) up to 927 °C
- Homologated ETL for protection against water up to 20 cm for 24 hours, to protect documents and other valuables from being damaged by flood
- Homologated ETL for lock resistance and resistance to a 4.5 meter drop during a fire.
- Programmable digital combination with backlit keypad for easy use even in dark places: 2 resettable combinations and 1 main combination (non-programming)
- Interior lighting, height-adjustable drawer and storage space in the door
- Includes safe securing equipment
- Requires 4 AAA batteries (not included)

Specifications

Article arrangement: New

Version: fire resistant and water resistant

Colour: black

Internal width (mm): 319

Internal height (mm): 349

Internal depth (mm): 302

Weight (kg) 39

EAN Code (Gtin) 8719424174229

Type: safe

Material: steel

Width (mm): 415

Height (mm): 453

Depth (mm): 491

Volume (ltr): 33.6

Type number: LFW123FTC
