Technical information

Productnumber : 55-SET-1M800

Product description

Our TÜV-certified Kruizinga.nl high-quality private label storage rack has a load capacity of 90 kg per floor and is very suitable for shopfitting, archives or offices. Thanks to the clamp-click-ready system, the rack is very easy to assemble. Made of high-quality galvanized steel and can be used very flexibly with numerous available accessories. A storage rack with a TÜV certificate or TÜV quality mark is confirmation that a storage rack meets the requirements set in legislation, standards and quality marks.

See also items that can be combined below. These are not available in the configurator, but can be added separately. Think, for example, of compartments, rear and side walls or, for example, a clothes rail. Do you have questions? Please contact us, we are happy to help you!
