## **Technical information**

Productnumber: 98-7245GB-S1

## **Product description**

Used shelf rack with three sections totalling 525x1040x2200 mm. The set includes all necessary parts to functionally assemble the shelving unit. With this versatile shelf rack, goods and stock can be conveniently organised. Whether in warehouses, workshops, offices or shops, this racking offers an efficient and space-saving solution. This rack contains a surface made of thermal zinc. This protects it from corrosion, making the rack more durable, in demanding environments such as warehouses or workshops.

This 3 section set consists of:

4 uprights of 220cm

10 supports of 50cm

5 shelves of 100x20cm

5 shelves of 100x30cm

1 cross brace

4 screws
