

Technical information

Productnumber : 98-5989GB

Product description

Complete used shop rack double sided. Supplied including perforated wall panels for hanging tools, for example. Specially designed to be placed in the middle of a room and is therefore ideal when you want to make optimal use of the retail space. The rack stands on adjustable feet so that you can always level the rack on uneven surfaces. Also called gondola rack, gondola rack or center rack.

Attention! The rack is delivered unassembled. One set consists of:

- 4x uprights 2270 mm high
- 24x perforated wall panels
- 12x closed wall panels beige
- 6x closed wall panels green
- 6x bottom plate
- 8x adjustable feet
