Product description

Used stacking rack with dimensions of 1480x1100x1000 mm. With two open short sides and two closed sides on the long side. With the open short sides, this stacking rack not only provides easy access to stored items, but also allows long material to be stored. This feature increases the rack's versatility. Thanks to its stackable construction, this rack can be easily stacked.

Please note! This rack contains damage and is considered B-grade.
