Technical information

Productnumber : 56490613

Product description

This sturdy metal tool box is a classic and timeless tool box of good quality. This toolbox fits tools of all shapes and sizes. The box contains 1 large loading space at the bottom and 6 smaller compartments so that you can properly sort your tools. With this toolbox you will never have to search for your tools again. The case can never open while being carried because the system closes itself when you lift the case by both handles.
