Technical information

Productnumber : 858582-3

Product description

Parcel wagon closed on four sides with gull-wing doors. The hinged door has an integrated bolt lock to be locked with a padlock (option). The parcel trolley has been treated with a powder coating, which makes it an extremely robust product. The warehouse trolley has a load capacity of 600 kg and a wooden floor. The platform trolley is easy to steer due to the two swivel castors with brakes and two fixed castors.

Specifications
