Product description

Used table trolley, measuring 1070x700x920 mm. With two fixed-wheel and two rubber swivel castors with a diameter of 200 mm, this trolley offers mobility and flexibility, allowing it to move through different types of terrain. The rubber wheels are also silent while moving. With this quiet mobility, the table trolley offers the option to move it easily and without inconvenience, maintaining a quiet working environment. The wooden boards provide a solid platform, allowing items to be transported safely without the risk of damage.
